- Develop and implement treatment plans that are tailored to each client's unique needs
- Provide clinical intervention and support
- Maintain accurate and up-to-date client records in accordance with professional standards and regulatory requirements
- Collaborate with other mental health professionals and support staff to ensure the highest quality of care is provided to clients

Requirements:

- Masters / Doctoral degree in clinical psychology or related field
- Enthusiastic professionals who want to work hard and grow their practice
- Registered or eligible for registration with the Hong Kong Psychological Society or other relevant international professional organisations
- Minimum of 2 years of post-qualification experience in clinical psychology preferably in Private Practice
- Extensive knowledge and experience in a wide range of evidence-based therapies, including CBT, DBT, ACT, and psychodynamic approaches
- Excellent attitude, communication and interpersonal skills, and the ability to work effectively in a team-based environment
- For the Child Clinical Psychologist - experience in children and family therapy

We provide a supportive work environment, and opportunities for professional growth and development and one of the most comfortable and spacious working spaces in Psychology Practice in Hong Kong.

If you're an experienced and compassionate Clinical Psychologist looking for a new opportunity to make a positive impact in people's lives, we would love to hear from you.

Please submit your resume and cover letter to info@mindnlife.com before 5pm 15 March 2023.
